Re: **CC Docket 96-45**, USF Certification as Required by 47 C.F.R. § 54.314

Dear Ms. Dortch and Ms. Flannery:

Pursuant to 47 C.F.R. § 54.314 and on the basis described below, the Washington Utilities and Transportation Commission (UTC) has received letters from rural incumbent local exchange carriers and eligible telecommunications carriers (listed below) certifying that federal high-cost support funds will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. The UTC certifies compliance with 47 C.F.R. 54.314(a) based entirely on company certifications.

The following is a list of all carriers who sent certifications to the UTC. With the exception of the first and last carrier listed below, the list corresponds to the appearance of carriers on the list on the USAC website that shows disbursements by month from the high-cost fund.
